## 作者的話：

This story conveys the message that one should always help others no matter young or old. We should love and care for everyone around us, try our best to spread as much happiness as we can, try to understand other's feelings and share their sorrows. It is a story of an ordinary human being just like everyone else. She has made a big mistake of misunderstanding her grandmother and when she realizes, it's already too late.

So, this teaches us to love everyone around us and don't wait until the end when it's too late. What I believe is that we should always try our best in sharing joy and happiness, live life to our fullest and always remember to forgive and forget because in that way we will always feel blessed and if we do something good, blessings will come back to us. I just hope everyone enjoys reading this book and understand the main message of it. Thank you.

My name is Kulwinder Kaur and I am 15 years old. I am a normal school-going girl and I am an Indian but I learn Chinese at school as such it explains how I wrote this picture book. Doing this project was a great honor and an awesome opportunity. I was honored because I was making a picture book and I got to know that it was getting published! It was an awesome opportunity because it is not every day that you get to learn so much Chinese and do a picture book as a project at a secondary school and at the same time with so much to study and so much homework to be done. This picture book is very special to me. I chose to tell the story of Ying Mei and her grandma because nowadays, it seems that the gap between grandparents and teenagers is getting wider and wider. Teens nowadays stop caring about their parents, let alone their grandparents. But they have no idea how much their grandparents could do for them, they don't have any idea how much their grandparents care and love them. Teens take their grandparents for granted and when they realize they love them, it is too late. This is what happens with Ying Mei. I hope all of you will read this book and hopefully, you will learn something. And remember! Do NOT hesitate to run to your grandparents and tell them how much you love them because it is never too late, trust me.

## 作品介紹:

這作品的人物描述得很好，圖畫也很豐富。故事的內容更是有趣，當一個老人碰上一個小孩，就會和故事的主角一樣，鬧出很多矛盾。作者期望人們可以瞭解老人家，他們都是在生的人，一樣有感受，會開心，會傷心。他們都需要人們的關懷，而不是被人當作物品，用不著就放在老人院，然後忘了他們。希望讀者喜歡這本作品。

他們有一個很開心的家庭。

一天，英美的奶奶從鄉下來到她的家，  
因為年紀大了，要和她們一起住。

第一晚，奶奶和英美睡覺，奶奶的鼻鼾聲很大，因此英美睡不著。

第二天，奶奶帶英美去買衣服，但是奶奶不喜歡英美喜歡的衣服。奶奶說：「英美，你太瘦了！你為什麼不吃多點東西？」

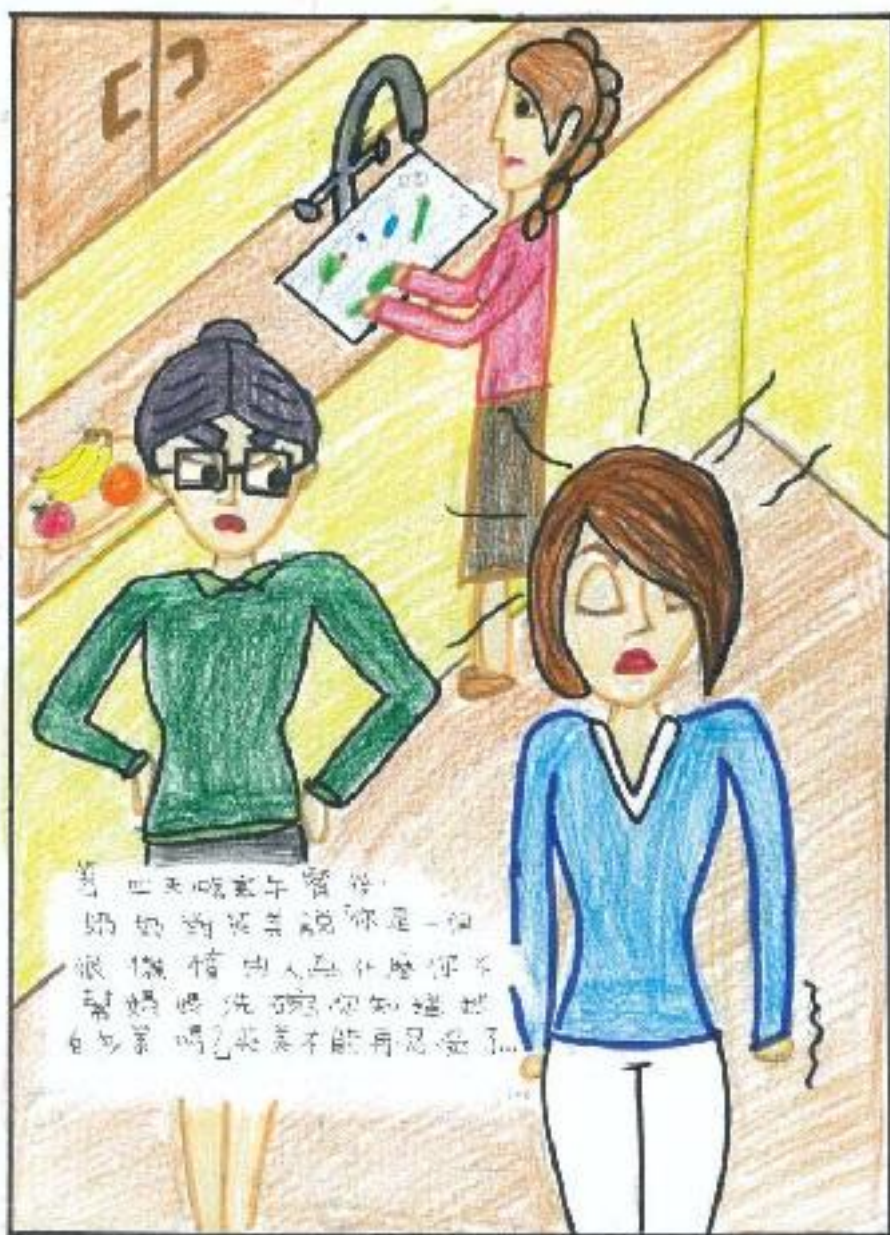

第三天，英美和她姐姐吵架，因為她們都不想和奶奶睡覺，奶奶教訓英美，她說：「英美！你姐姐比你年紀大，所以你可以和她吵架！」

英美認為她奶奶是不對的，認為她奶奶的想法很嚴厲。英美有很多不滿和抱怨！

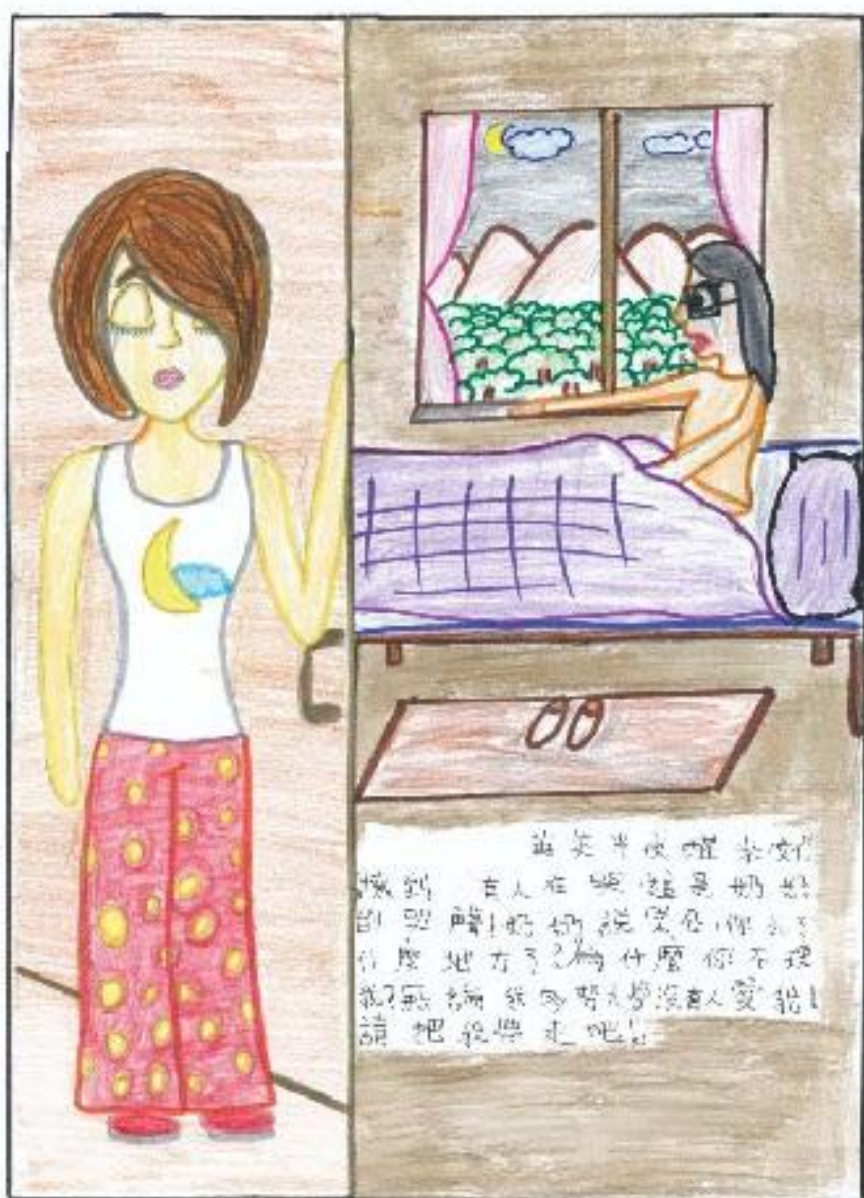

第四天，吃完午餐後，奶奶對英美說：「你是一個很懶惰的人，為什麼你不幫媽媽洗碗，你知道她有多累嗎？」英美不能再忍受了....

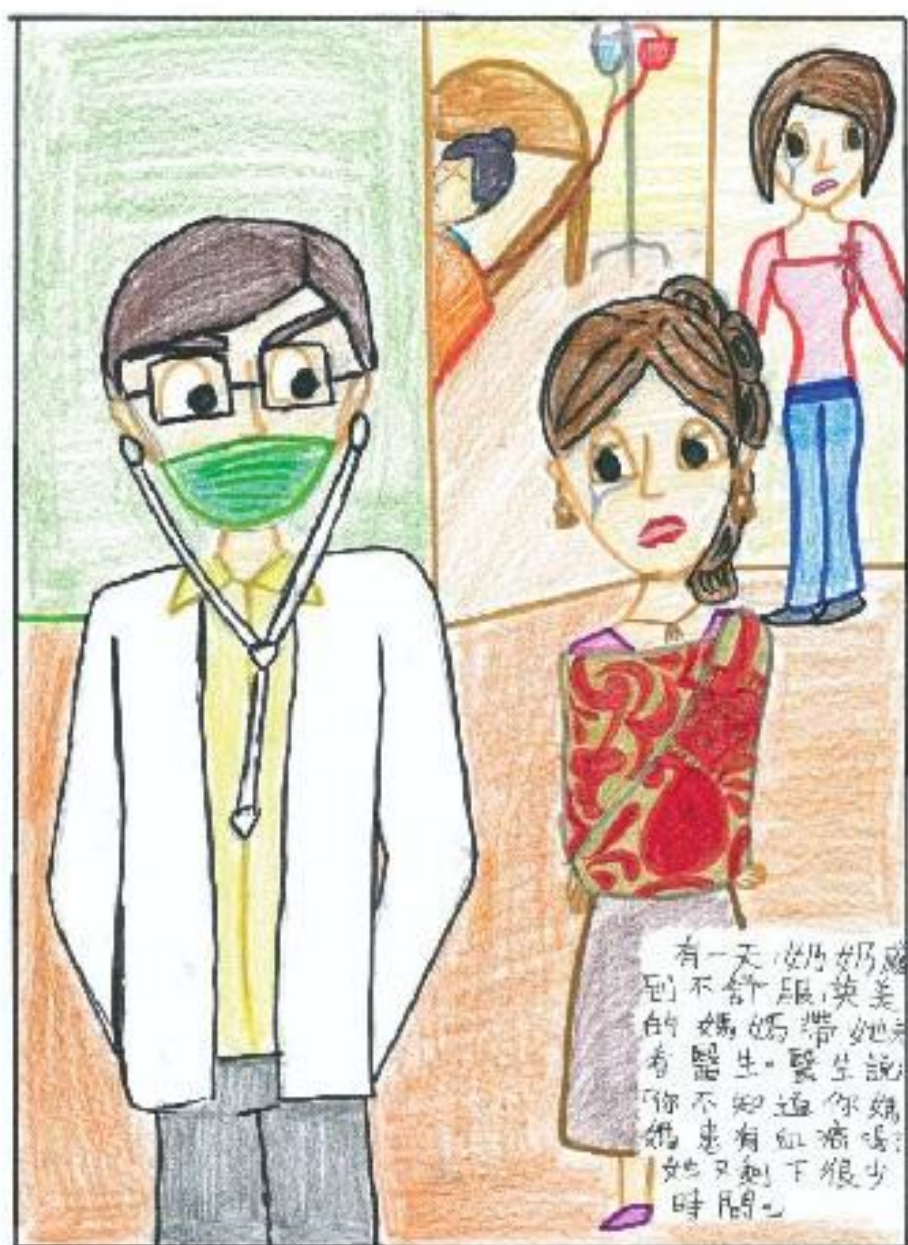

「夠了：不要再說了！這幾天你已經說了很多！我喜歡的東西你卻不喜歡！每天只會為難我！你十分煩呀！！」

到了晚上.....

英美半夜醒來，她聽到有人在哭，這是奶奶的哭聲！奶奶說：「老公，你去了什麼地方了？為什麼你不理我！無論我多努力都沒有人愛我！請把我帶走吧！」

有一天，奶奶感到不舒服，英美的媽媽帶她去看醫生。醫生說：「你不知道你媽媽患有血癌嗎？她只剩下很少時間。」

奶奶說：「英美，你不要哭，聽我的話，長大以後，你要幫助老人家。我知道你不喜歡他們，但是他們都是人，他們都需要別人的愛。」

英美說：「對不起…」

英美對自己說：「我長大後，一定要成立一個幫助老人家的基金。」
